I think you wanna come over
Yeah I heard it through the grapevine
Are you drunk or you're sober?
Think about it, doesn't matter
And if it makes you feel good then I say do it
I don't know what you're waiting for

Feel my temperature rising
There's too much heat
I'm gonna lose control
Do you want to go higher
Get closer to the fire,
I don't know what you're waiting for

Come join the party, yeah
Cuz anybody just won't do
Let's get this started, yeah
Cuz everybody wants to party with you

Boy you got a reputation
But you're gonna have to prove it
I see a little hesitation
Am I gonna have to show you that
If it feels right, get on your mark
Step to the beat boy that's what it's for

Put your arms around me
When it gets too hot
We can go outside
But for now just come here
Let me whisper in your ear
An invitation to the dance of life

Come join the party (it's a celebration)
Anybody just won't do
Let's get this started (no more hesitation)
Cuz everybody wants to party with you

Haven't I seen you somewhere before?
You look familiar
You wanna dance? yeah
I guess I just don't recognize you with your clothes on

What are you waiting for?

Come join the party (it's a celebration)
Anybody just won't do
Let's get this started (no more hesitation)
Cuz everybody wants to party with you

Come join the party (it's a celebration)
Anybody just won't do
Let's get this started (no more hesitation)
Cuz everybody wants to party with you

Boy you've got it (it's a celebration)
Cuz anybody just won't do
Let's get it started (no more hesitation)
Cuz everybody wants to party with you

Boy you've got it
Cuz anybody just won't do
Let's get it started (no more hesitation)
Cuz everybody wants to party with you
