Cherish, cherish

So tired of broken hearts  
And losin' at this game before I start  
This dance I'll take a chance in telling you  
I want more than just romance

You are my destiny  
I can't let go baby, can't you see?  
Cupid, please take your aim at me

Cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it

Cherish the strength  
You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would

I was never satisfied  
With casual encounters, I can't hide  
My need for two hearts that bleed  
With burning love that's the way it's got to be

Romeo and Juliet  
They never felt this way I bet  
So don't underestimate my point of view

I cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it

Cherish the strength  
You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would

Who? You  
Can't get away, I won't let you  
Who? You  
I could never forget to

Cherish is the word  
I used to remind me of your love

Keep giving it, keep giving it to me  
Boy, keep giving me all, all of your joy  
Give me faith, I will always cherish you

Romeo and Juliet  
They never felt this way, I bet  
So don't underestimate my point of view

I cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it

Cherish the strength  
You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would

Cherish  
Give me faith, give me joy  
My boy, I will always cherish you

Cherish your strength  
Keep giving it, keep giving it to me  
Boy, keep giving me all, all of your joy

Cherish the love  
Give me faith, give me joy  
My boy, I will always cherish you
