Hey Madonna, I'm gonna take you to the club  
Feels good

Move your body  
Get me from across the floor

Everybody's watchin'  
But I just wanna give you more  
Don't care bout nothin'  
Im fallin' for your love in the worst way

Move closer  
I can feel your body rise  
The heat from you  
And I just have to fantasize

We're all alone now  
And I don't care what people have to say

You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta give more more more  
Than you ever have before

Let's dance tonight dance tonight  
And groove around the world  
Dance tonight, dance tonight  
With a boy and with a girl  
I wanna dance tonight, dance tonight

Do it, do it  
Let me turn you on  
Let the music pull you through it  
[Dance 2 Night (Feat. Justin Timberlake) Lyrics on ]  
Til the break of dawn  
Do it, do it  
While the night is young  
Let the music pull you through it  
Til the lights go on

In our zone  
Do you wanna take it further  
And before too long

Gonna start to wonder  
Are you a one trick pony  
Or do you wanna .....

I'm so into you...  
I've heard it all before  
What should I do?  
Get me on the floor  
Don't spoil this moment

'Cause talk is cheap  
I don't have time to waste

You don't have to be beautiful  
To be understood  
You don't have to be rich and famous  
To be good  
You just gotta give more more more  
Than you ever have before

Let's dance tonight dance tonight  
And groove around the world  
Dance tonight, dance tonight  
With a boy and with a girl
