as quiet as it is tonight  
you'd almost think you were safe  
your eyes, are full of surprises  
they cannot predict my fate  
waiting underneath the stars  
there something you should know  
the angels they surround my heart  
telling me to let you go

i barely couldn't  
i barely couldn't recognize  
but i played right into it  
who am i to criticise  
somehow i'll get through it  
and you won't even realize  
falling through your own disguise

it's like over and over  
you're pushing me right down to the floor  
i should just walk away  
over and over  
i keep on coming back for more  
i play into your fantasy  
now that it's over  
you can lie to me right through your smile  
i see behind your eyes  
now i'm sober, no more intoxicating my mind

even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do, i do, i do

you almost fooled yourself this time  
that all the saints be praised  
you hide your sadness behind your smile  
and you keep your lost heartbreaks  
the steps that edge along the ledge

it's much higher than it seems  
but i've been on that ledge before  
you can't hide yourself from me

i barely couldn't  
i barely couldn't recognize  
i still played right into it  
who am i to criticise  
somehow i'll get through it  
and you won't even realize  
falling through your own disguise

it's like over and over  
you're pushing me right down to the floor  
i should just walk away  
over and over  
i keep on coming back for more  
i play into your fantasy  
now that it's over  
you can lie to me right through your smile  
i see behind your eyes  
now i'm sober, no more intoxicating my mind

even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do, i do, i do

it's like over and over  
you're pushing me right down to the floor  
i should just walk away  
over and over  
i keep on coming back for more  
i play into your fantasy  
now that it's over  
you can lie to me right through your smile  
i see behind your eyes  
now i'm sober, no more intoxicating my mind

even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do  
even the devil wouldn't recognize you  
i do, i do, i do
