You give me  
You give me fever

Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear

Listen to me, baby, hear every word I say  
No one can love you the way I do  
'Cause they don't know how to love you my way

You give me fever, when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Sun lights up the daytime  
Moon lights up the night  
My eyes light up when you call my name  
'Cause I know you're gonna treat me right

Bless my soul, I love you, take this heart away  
Take these arms, I'll never use  
And just believe in what my lips have to say

You give me fever, when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Everybody's got the fever  
That is something you should know  
Fever isn't such a new scene  
Fever started long ago

You give me fever, fever  
You give me, you give me fever

You give me fever, when you kiss me  
Fever when you hold me tight  
Fever in the morning

Fever all through the night

Romeo loved Juliet  
Juliet, she felt the same  
When he put his arms around her  
He said, "Julie baby, you're my flame"  
He gave her fever

Sun lights up the daytime  
Moon lights up the night  
My eyes light up when you call my name  
'Cause I know you're gonna treat me right

You give me fever, when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night

Fever, with his kisses  
Fever when he holds me tight

Everybody's got the fever  
That is something you should know  
Fever isn't such a new scene  
Fever started long ago, fever

Captain Smith and Pocahontas  
Had a very mad affair  
When her daddy tried to kill him  
She said, "Daddy, oh, don't you dare"

He gives me fever with his kisses  
Fever when he holds me tight  
Fever, I'm his Misses  
Daddy, won't you treat him right

Fever, when you kiss them  
Fever, if you live and learn  
Fever, 'til you sizzle  
What a lovely way to burn

What a lovely way to burn  
What a lovely way to burn
