Just one kiss on my lips  
Was all it took to seal the future  
Just one look from your eyes  
Was like a certain kind of torture  
Once upon a time there was a boy, and there was a girl  
Just one touch from your hands  
Was all it took to make me falter

Forbidden love  
Are we supposed to be together  
Forbidden love, forbidden love  
Forbidden love  
We steal our destiny forever  
Forbidden love, forbidden love

Just one smile on your face  
Was all it took to change my fortune  
Just one word from your mouth  
Was all I needed to be certain  
Once upon a time there was a boy, and there was a girl  
Hearts that intertwined  
We lived in a different kind of world

Forbidden love  
Are we supposed to be together  
Forbidden love, forbidden love  
Forbidden love  
We steal our destiny forever  
Forbidden love, forbidden love

Just one kiss(five)  
Just one touch(four)  
Just one look(three)  
(two)

Forbidden love(one)

Are we supposed to be together  
Forbidden love, forbidden love  
Forbidden love  
We steal our destiny forever

Forbidden love, forbidden love

(repeat)

Just one kiss(five)  
Just one touch(four)  
Just one look (three)  
Just one love (two)  
(one)
