Get up...
It's time...
Your life...

It's time...
Your life...
Your choice...

It's time for you to read the signs
Your world...
Your choice...
You don't have the luxury of time

Get Stupid... (Get Stupid) (x4)
Get Stupid... Don't Stop it... (Get Stupid)

Get up...

Get up...
It's time...
Your life...
Your choice...

You have got to say what's on your mind
the time is now...
if you wait too long it'll be too late

let's go... (x4)

the time is right now
you got to decide
say what you like
there ain't no time to loose (x2)

the time is right now (...it's time)
you got to decide (...get up)
say what you like (...the time)
there ain't no time to loose (...is now) (x2)
