There's too much confusion
It's all an illusion
There's too much confusion

Down, down, down in your heart
Find, find, find the secret
Turn, turn, turn your head around
Baby we can do it, we can do it all right

Do you believe in love at first sight?
It's an illusion, I don't care
Do you believe I can make you feel better?
Too much confusion, come on over here

Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too

I searched, I searched, I searched my whole life
To find, find, find the secret
But all I did was open up my eyes
Baby we can do it, we can do it all right

Do you believe that we can change the future?
Do you believe I can make you feel better?

Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too

Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too

It's all an illusion
There's too much confusion
I'll make you feel better
If it's bitter at the start
Then it's sweeter in the end

Do you believe in love at first sight?
It's an illusion, I don't care
Do you believe I can make you feel better?
Too much confusion, come on over here

Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too

Can we get together?
I really wanna be with you
Come on, check it out with me
I hope you feel the same way too

It's all an illusion
There's too much confusion
I'll make you feel better
If it's bitter at the start
Then it's sweeter in the end
