There's too much confusion  
It's all an illusion  
There's too much confusion

Down, down, down in your heart  
Find, find, find the secret  
Turn, turn, turn your head around  
Baby we can do it, we can do it all right

Do you believe in love at first sight?  
It's an illusion, I don't care  
Do you believe I can make you feel better?  
Too much confusion, come on over here

Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too

I searched, I searched, I searched my whole life  
To find, find, find the secret  
But all I did was open up my eyes  
Baby we can do it, we can do it all right

Do you believe that we can change the future?  
Do you believe I can make you feel better?

Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too

Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too

It's all an illusion  
There's too much confusion  
I'll make you feel better  
If it's bitter at the start  
Then it's sweeter in the end

Do you believe in love at first sight?  
It's an illusion, I don't care  
Do you believe I can make you feel better?  
Too much confusion, come on over here

Can we get together?  
I really, I really wanna be with you  
Come on, check it out with me  
I hope you, I hope you feel the same way too

Can we get together?  
I really wanna be with you  
Come on, check it out with me  
I hope you feel the same way too

It's all an illusion  
There's too much confusion  
I'll make you feel better  
If it's bitter at the start  
Then it's sweeter in the end
