[Lil Wayne]

Bang.  
tha shooting name is wayne  
The victim didnt complain,  
she just screamed shoot again.  
I gave her extra rounds.  
My barrel twists around.  
I am Mr. shoot em down.  
I leave hearts on tha ground.  
My love-using weapon.  
And yes I use it well.  
The I let the rose petals cover up the bullet shells.  
I never shoot and tell.  
I only shoot to kill.  
And the vest ain't goanna  
help it even if you're laying still.

My love is a revolver.  
Do you want to be my target?  
Guz Im a sharp shooter.  
Matter of fact Im tha sharpest.  
My aim is so flawless,  
girl can be the farthest.  
Ima still shoot my love,  
let me know that you cought it.  
Im the trigger man, I pull it.  
I will when he wouldnt.  
Do you want to eat the bullet?  
And I know where to put it.  
Its weezy 'F' baby.  
Im shooting like the army.  
Girl I should be illegal.  
Better put the safety on it.
