(Madonna:)

Pride's that splendid liar
Sworn enemy of love

(Jennifer:)

Kept my lips from saying
Things my heart was thinking of

(Madonna:)

But now my pride you've humbled
I've cast it to the winds

(Jennifer:)

Broken, beaten, sick at heart

(Both:)

Our compassion begins

(Madonna:)

We played the game of 'stay away'
But it costs more than I can pay
Without you I can't make my way
I surrender dear

(Jennifer:)

I may seem proud, I may act gay
It's just a pose, I'm not that way
'Cause deep down in my heart I say
I surrender dear

(Madonna:)

Little mean things we were doing
Must have been part of the game
Lending a spice to the wooing

(Both:)

But I don't care who's to blame

(Madonna:)

When stars appear

(Jennifer:)

When stars appear

(Madonna:)
And shadows fall
(Jennifer:)
And shadows fall
(Madonna:)
Why then you'll hear
(Jennifer:)
Why then you'll hear
(Both:)
My poor heart call
To you my love, my life, my all
I surrender dear
