I want you the right way  
I want you but I want you to want me too  
Want you to want me, baby  
Just like I want you

I'll give you all the love, I want in return  
But half a love is all I feel, sweet darling  
It's too bad, it's just too sad

You don't want me no more  
But I'm gonna change your mind  
Someway, somehow

I want you the right way  
I want you but I want you to want me too  
Want you to want me, baby  
Just like I want you

One way love is just a fantasy  
To share is precious, pure and fair  
Don't play with something

You should cherish for life  
Oh baby, don't you wanna care?  
And ain't it lonely out there?

I want you the right way  
I want you but I want you to want me too  
Want you to want me, baby  
Just like I want you

I want you the right way  
I want you but I want you to want me too  
Want me, baby, just like I want you

I want you, the right way  
Want me, baby  
Don't play with something  
You should cherish for life
