Like the sun, like the light, like a plane  
Like the storm, I'm born through everything  
Like a bomb in the night, like a train  
Thundering through the hills, let it rain

I'm a sinner, I like it that way  
[2x]

All the boys, all the boys and girls  
Wanna be like us tonight  
All the boys, all the boys and girls  
Ride the magic bus tonight

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way  
[2x]

Like the moon with a light of my own  
Sift the sky for a place to call home  
I woke up with my hand in the fire  
Get my kicks when I'm walking the wire

I'm a sinner, I like it that way  
[2x]

All the boys, all the boys and girls  
Wanna be like us tonight  
All the boys, all the boys and girls  
Ride the magic bus tonight

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way  
[3x]

I'm a sinner, I'm a sinner  
I'm a sinner, praise the Lord, I like it that way!

Hail Mary, full of grace  
Get down on your knees and pray  
Jesus Christ hanging on the cross  
Died for our sins, it's such a loss

Saint Christopher, find my way  
I'll be coming home one day  
Saint Sebastian, don't you cry  
Let those poisoned arrows fly

Saint Anthony, lost and found  
Thomas Aquinas, stand your ground  
All the saints and Holy men  
Catch me before I sin again

I'm a sinner, I like it that way  
[2x]

You're a sinner, you're a sinner  
you're a sinner, you'll like it that way

We're all sinners, we're all sinners  
We're all sinners

I'm a sinner, I'm a sinner  
I'm a sinner, I like it that way
