'Cause I used to live  
In a fuzzy dream  
And I wanted to be  
Like all the pretty people

I'm so stupid  
'Cause I used to live  
In a fuzzy dream  
And I used to believe  
In a pretty pictures  
That were all around me  
But now I know for sure  
That I was stupid

*[Chorus:]*

Please don't try to tempt me  
It was just greed  
And it won't protect me  
Don't want my dreams  
Adding up to nothing  
I was just looking for  
Everybody's looking for something

I'm so stupid  
'Cause I used to live

In a tiny bubble  
And I wanted to be  
Like all the pretty people  
That were all around me  
But now I know for sure  
That I was stupid  
Stupider than stupid

Stupider than stupid  
Stupider than stupid

*[chorus]*

Everybody's looking for something  
Everybody's stupid stupid

Everybody's looking for something  
Everybody's stupid stupid  
Everybody's looking for something  
Everybody's stupid stupid  
Everybody's looking for something  
Everybody, everybody

*[chorus]*
