Anytime is not ever, now! (?)
So what are you waiting for?
Why you wait for someone
To show you how
Make me wanna put you on a war(?)

No boundaries and no limits
If there's excitement, that I'm in it
If it's against the law, arrest me
If you can handle it, undress me

Give me a record, I'll break it
Give me a chance to go and I'll take it
No beginning, no ending
On and onâ€¦

Don't stop me now, don't need to catch my breath
I can go on and on, on and on
When the lights go down and there's no one left
I can go on and on, on and on

Infinity, infinity, infinity
Infinity, infinity
On and onâ€¦
Infinity, infinity, infinity
Infinity, infinity
On and onâ€¦

They say a good thing never lasts
What goes up is gonna has to fall
But if you have to much what people said
Do you would not amount to much at all?

No boundaries and no limits
If there's excitement, that I'm in it
If it's against the law, arrest me
If you can handle it, undress me

Give me a record, I'll break it
Give me a chance to go and I'll take it
No beginning, no ending

On and on

Don't stop me now, don't need to catch my breath
I can go on and on, on and on
When the lights go down and there's no one left
I can go on and on, on and on

Infinity, infinity, infinity
Infinity, infinity
On and on
Infinity, infinity, infinity
Infinity, infinity
On and on

Infinity!
