And you can dance  
For inspiration, come on

C-c-come on, c-c-come on, c-c-come on

Come come, come come, come come on  
Come come, come come, come come on  
(For inspiration)  
Come come, come come, come come on  
(And you can dance)  
Come, come, come come, come come on  
(D-d-dance)

Music can be such a revelation  
Dancing around you feel the sweet sensation  
We might be lovers if the rhythm's right  
I hope this feeling never ends tonight

Only when I'm dancing can I feel this free  
At night I lock the doors where no one else can see  
I'm tired of dancing here all by myself  
Tonight I wanna dance with someone else

Get into the groove  
Boy, you've got to prove  
Your love to me, yeah  
Get up on your feet  
Yeah, step to the beat  
Boy, what will it be?

Gonna get to know you in a special way  
This doesn't happen to me every day  
Don't try to hide it, love wears no disguise  
I see the fire burning in your eyes

Only when I'm dancing can I feel this free  
At night I lock the doors where no one else can see  
I'm tired of dancing here all by myself  
Tonight I wanna dance with someone else

Get into the groove  
Boy, you've got to prove

Your love to me, yeah  
Get up on your feet  
Yeah, step to the beat  
Boy, what will it be?

Live out your fantasy here with me  
Just let the music set you free  
Touch my body and move in time  
Now I know you're mine

We got to get into the groove  
Boy, you've got to prove  
Your love to me, yeah  
Get up on your feet  
Yeah, step to the beat  
Boy, what will it be?

Step to the, step to the, step to the beat, dance!  
Step to the, step to the, step to the beat, dance!  
Step to the, step to the, step to the beat, dance!  
Step to the, step to the, step to the beat, dance!

Come on, come on, come on, come on, come on  
Come come, come come  
Come on, come on, come on, come on, come on  
Come come, come come

Come on, come on, come on, come on, come on  
Come come, come come  
Come on, come on, come on, come on, come on  
Come come, come come

Only when I'm dancing can I feel this free  
At night I lock the doors where no one else can see  
I'm tired of dancing here all by myself  
Tonight I wanna dance with someone else

Live out your fantasy here with me  
Just let the music set you free  
Touch my body and move in time  
Now I know you're mine, you've got to

Live out your fantasy here with me  
Just let the music set you free  
Touch my body and move in time  
Now I know you're mine

Now I know you're mine  
Now I know you're mine  
Now I know you're mine  
Now I know you're mine, mine, mine

Dance dance, dance dance  
D-d-dance dance, dance dance  
For inspiration, dance dance for inspiration

Dance dance, dance dance  
Dance dance, dance dance  
Dance dance, dance dance
