The madness of love  
And what we'll do for it  
Two walk through the fire  
And just go through with it  
To cancel your doubt  
And fly into the sun  
To go without  
And feel like you're the lucky one

The mad things we do for love  
We're caught in a world of lies  
I just had the strangest dream  
We won't get to do this twice

Lela lela lela lela pala tute  
Jas kana medess medess anda latay  
Lela lela lela lela pala tute  
GiascanamÃ©s del balla late

The madness of love  
And where we'll go for it  
To travel the world  
And lose control for it  
To give it away  
And never hesitate  
Just knowing one day  
It will reciprocate

The mad things we do for love  
The heavens are falling through  
I'm caught in the world of lie  
There's nothing that I can do

Lela lela lela lela pala tute  
Jas kana medess medess anda latay

Lela lela lela lela pala tute  
GiascanamÃ©s del balla late  
Lela lela lela lela pala tute  
Jas kana medess medess anda latay  
Lela lela lela lela pala tute  
GiascanamÃ©s del balla late

It's a mad mad world  
All the things you make me feel  
It's a mad mad world  
Had a drink so I could forget  
It's a mad mad world  
All the noise inside of my head  
It's a mad mad world  
I would never change this moment  
It's a mad mad world  
All the things you make me feel  
It's a mad mad world  
Had a drink so I could forget  
It's a mad mad world  
All the noise inside of my head  
It's a mad mad world  
I would never change this moment

Lela lela lela lela pala tute  
Jas kana medess medess anda latay  
Lela lela lela lela pala tute  
GiascanamÃ©s del balla late  
Lela lela lela lela pala tute  
Jas kana medess medess anda latay  
Lela lela lela lela pala tute  
GiascanamÃ©s del balla late
