Britney Spears:

I made it through the wilderness. Somehow I  
Made it through. Didn't know how lost I was  
Until I found you. I was beat incomplete.  
I've been had. I was sad and blue, but you  
Made me feel, yeah, you made me feel shiny  
And new. Oh, oh.

Christina Aguilera:

Like a virgin, ooooh, touched for the very  
First time, oh. Like a virgin when your  
Heart beats next to mine, oh oh ooh yeah.

Christina Aguilera and Britney Spears:

Oooooh. Oooooh. Oooooh.

Madonna:

Everybody comes to Hollywood. They wanna  
Make it in the neighborhood. They like the  
Smell of it in Hollywood. How could it hurt  
You when it looks so good?

Madonna:

Everybody comes to Hollywood. They wanna  
Make it in the neighborhood. They like the  
Smell of it in Hollywood. How could it hurt  
You when it looks so good?

Madonna, Christina Aguilera, and Britney Spears:

Shine your light now. This time it's got to  
Be good. You'll get it right now, yeah, 'cause  
You're in Hollywood. You're in Hollywood.

Madonna:

Everybody comes to Hollywood. They wanna  
Make it in the neighborhood. They like the  
Smell of it in Hollywood. How could it hurt  
You when it looks so good?

Missy Elliott:

Yo! Yo! Yo! Who that be? Missy Elliott, M.I.C.  
I works it and I works it. Can I flip my thing  
And reverse it? Come on! Go! Go 'head. Go! Go  
'Head! I works it and I works it. Can I flip  
My thing and reverse it? Come on! Go! Go 'head!  
Go! Go 'head. Party people, we'll show you how  
To work that. Where you at, Madonna?

Madonna:

Trip the station! Change the channel!

Madonna:

Hollywood. Hollywood. How could it hurt you  
When it looks so good? Hollywood. Hollywood.  
How could it hurt you when it looks so good?

Madonna, Christina Aguilera, Britney Spears, and Missy  
Elliott:

Hollywood. Hollywood. How could it hurt you  
When it looks so good? Hollywood. Hollywood.  
How could it hurt you when it looks so good?  
Music stations always play the same song.  
We're bored with the concepts of right and  
Wrong.

Madonna:

Trip the station. Change the channel.
