"Live To Tell"

I have a tale to tell
Sometimes it gets so hard to hide it well
I was not ready for the fall
Too blind to see the writing on the wall

A man can tell a thousand lies
I've learned my lesson well
Hope I live to tell
The secret I have learned, 'till then
It will burn inside of me

I know where beauty lives
I've seen it once, I know the warmth she gives
The light that you could never see
It shines inside, you can't take that from me

A man can tell a thousand lies
I've learned my lesson well
Hope I live to tell
The secret I have learned, 'till then
It will burn inside of me

The truth is never far behind
You kept it hidden well
If I live to tell
The secret I knew then
Will I ever have the chance again?

If I ran away, I'd never have the strength to go very far
How would they hear the beating of my heart
Will it grow cold, the secret that I hide? Will I grow old?
How will they hear, when will they learn, how will they
know?

A man can tell a thousand lies
I've learned my lesson well
Hope I live to tell
The secret I have learned, 'till then
It will burn inside of me

The truth is never far behind
You kept it hidden well

If I live to tell
The secret I knew then
Will I ever have the chance again?

A man can tell a thousand lies
I've learned my lesson well
Hope I live to tell
The secret I have learned, 'till then
It will burn inside of me
