You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore

When you lived inside of me
There was nothin', I could conceive
That you wouldn't do for me

Trouble seem so far away
You changed that right away
Baby

You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore

Love don't live here anymore
Just emptiness and memories
Of what we had before

You went away
Found another place to stay
Another home

You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore

In the windows of my eyes
Everyone can see
The loneliness inside of me

Why'd you have to go away?
Don't you know, I miss you so?
I need your love

You abandoned me
Love don't live here anymore
Just a vacancy

Love don't live here anymore

You abandoned me
Love don't live here anymore
Live here anymore
Don't live here anymore
Don't live here anymore

No no
Don't, don't live here anymore
You abandoned me
Love don't live here anymore
Love don't live here anymore

Love don't live here anymore
Don't live here anymore
