Haven't we met  
You're some kind of beautiful stranger  
You could be good for me  
I've had the taste for danger

If I'm smart then I'll run away  
But I'm not so I guess I'll stay  
Heaven forbid  
I'll take my chance on a beautiful stranger

I looked into your eyes  
And my world came tumbling down  
You're the devil in disguise  
That's why I'm singing this song

To know you is to love you  
You're everywhere I go and everybody knows  
To love you is to be part of you  
I've paid for you with tears and swallowed all my pride

Da da da dum, da dum da dum, da da da da dum  
Beautiful stranger  
Da da da dum, da dum da dum, da da da da dum  
Beautiful stranger

If I'm smart then I'll run away  
But I'm not so I guess I'll stay  
Haven't you heard  
I fell in love with a beautiful stranger

I looked into your face  
My heart was dancing all over the place  
I'd like to change my point of view  
If I could just forget about you

To know you is to love you  
You're everywhere I go and everybody knows  
To love you is to be part of you  
I've paid for you with tears and swallowed all my pride

I looked into your eyes  
And my world came tumbling down

You're the devil in disguise  
That's why I'm singing this song to you

To know you is to love you  
You're everywhere I go and everybody knows  
To love you is to be part of you  
I've paid for you with tears and swallowed all my pride

I've paid for you with tears and swallowed all my pride

Da da da dum, da dum da dum, da da da da dum  
Beautiful stranger  
Da da da dum, da dum da dum, da da da da dum  
Beautiful stranger
