Haven't we met
You're some kind of beautiful stranger
You could be good for me
I've had the taste for danger

If I'm smart then I'll run away
But I'm not so I guess I'll stay
Heaven forbid
I'll take my chance on a beautiful stranger

I looked into your eyes
And my world came tumbling down
You're the devil in disguise
That's why I'm singing this song

To know you is to love you
You're everywhere I go and everybody knows
To love you is to be part of you
I've paid for you with tears and swallowed all my pride

Da da da dum, da dum da dum, da da da da dum
Beautiful stranger
Da da da dum, da dum da dum, da da da da dum
Beautiful stranger

If I'm smart then I'll run away
But I'm not so I guess I'll stay
Haven't you heard
I fell in love with a beautiful stranger

I looked into your face
My heart was dancing all over the place
I'd like to change my point of view
If I could just forget about you

To know you is to love you
You're everywhere I go and everybody knows
To love you is to be part of you
I've paid for you with tears and swallowed all my pride

I looked into your eyes

And my world came tumbling down
You're the devil in disguise
That's why I'm singing this song to you

To know you is to love you
You're everywhere I go and everybody knows
To love you is to be part of you
I've paid for you with tears and swallowed all my pride

I've paid for you with tears and swallowed all my pride

Da da da dum, da dum da dum, da da da da dum
Beautiful stranger
Da da da dum, da dum da dum, da da da da dum
Beautiful stranger
