"Power Of Good-bye"

Your heart is not open
so I must go
the spell has been broken
I loved you so
Freedom comes when you learn to let go
Creation comes when you learn to say no
Walk away
You were my lesson I had to learn
I was your fortress you had to burn
Pain is the the warning that somethings wrong
I pray to God that it wont be long
Walk away
there's nothing left to try
there's no place left to hide
there's no greater power
than the Power of Goodbye
Your heart is not open so I must go
the spell has been broken
I loved you so
You were my lesson
I had to learn
I was your fortress
There's nothing left to try
There's no place left to hide
There's no greater power than the power of goodbye
Learn to say goodbye
I yearn to say goodbye
There's nothing left to try
There's no more places to hide
There's no greater power than the power of goodbye
There's nothing left to lose
There's no place left to hide
There's no greater power than the power of goodbye
