"Power of Goodbye"

Your heart is not open
So I must go
The spell has been broken
I loved you so
Freedom comes when you learn to let go
Creation comes when you learn to say no

You were my lesson
I had to learn
I was your fortress
You had to burn
Pain is a warning that somethings wrong
I pray to God that it wont be long
Do you wanna go higher

Theres nothing left to try
Theres no place left to hide
Theres no greater power than the power of goodbye

Your heart is not open
So I must go
The spell has been broken
I loved you so
You were my lesson
I had to learn
I was your fortress

Theres nothing left to lose
Theres no more heart to bruise
Theres no greater power than the power of goodbye

Learn to say goodbye
I urn to say goodbye

Theres nothing left to try
Theres no more places to hide
Theres no greater power than the power of goodybe

Theres nothing left to lose
Theres no more heart to bruise
theres no greater power than the power of goodbye
