The Queen's English  
Do you know the Queen's English?

Do you know the Queen's English?

Hey Luis

Hey Luis  
Yeah?  
Introduce yourself  
Alright  
Introduce yourself  
Alright

My name is Luis  
I come from downtown  
And I get down and I know it

....

The Queen's English  
Do you know the Queen's English?  
The Queen's English  
Do you know the Queen's English?

Hey Jose  
Yeah?  
Hey Jose  
Yeah?  
Introduce yourself  
Alright  
Introduce yourself  
Alright

My name is Jose  
I come from downtown  
And I get down and I know it

....

The Queen's English  
Do you know the Queen's English?  
The Queen's English  
Do you know the Queen's English?

Queen's that read are the best  
Mmmm  
Queen's that read are the best  
Tally, tally, tally

Love break, love break, love break, love break  
(repeat 3 times)

.....

Queens that read are the best ????  
Queens that read are the best  
And they can also get a job anywhere

Can you read  
Can you read Queen's English  
Can you read  
Can you read

Can you read  
Can you read Queen's English  
Can you read  
Can you see

The Queen's English  
Do you know the Queen's English?
