I feel it, it's coming

[Chorus:]

Rain, feel it on my finger tips  
Hear it on my window pane  
Your love's coming down like  
Rain, wash away my sorrow  
Take away my pain  
Your love's coming down like rain

When your lips are burning mine  
And you take the time to tell me how you feel  
When you listen to my words  
And I know you've heard, I know it's real  
Rain is what this thunder brings  
For the first time I can hear my heart sing  
Call me a fool but I know I'm not  
I'm gonna stand out here on the mountain top  
Till I feel your

[Chorus]

Rain, feel it on my finger tips  
Hear it on my window pane  
Your love's coming down like  
Rain, wash away my sorrow  
Take away my pain  
Your love's coming down like rain

When you looked into my eyes  
And you said goodbye could you see my tears  
When I turned the other way  
Did you hear me say  
I'd wait for all the dark clouds bursting in a perfect sky  
You promised me when you said goodbye  
That you'd return when the storm was done  
And now I'll wait for the light, I'll wait for the sun  
Till I feel your

[Chorus]

Rain, feel it on my finger tips  
Hear it on my window pane  
Your love's coming down like  
Rain, wash away my sorrow  
Take away my pain  
Your love's coming down like rain

Here comes the sun, here comes the sun  
And I say, never go away

Waiting is the hardest thing  
(It's strange I feel like I've known you before)  
I tell myself that if I believe in you  
(And I want to understand you)  
In the dream of you  
(More and more)  
With all my heart and all my soul  
(When I'm with you)  
That by sheer force of will  
(I feel like a magical child)  
I will raise you from the ground  
(Everything strange)  
And without a sound you'll appear  
(Everything wild)  
And surrender to me, to love

Rain is what the thunder brings  
For the first time I can hear my heart sing  
Call me a fool but I know I'm not  
I'm gonna stand out here on the mountain top  
Till I feel your

Rain, I feel it, it's coming  
Your love's coming down like  
Rain, I feel it, it's coming  
Your love's coming down like

[Chorus]

Rain, feel it on my finger tips  
Hear it on my window pane  
Your love's coming down like  
Rain, wash away my sorrow  
Take away my pain  
Your love's coming down like rain

Rain, I feel it, it's coming  
Your love's coming down like  
Rain, I feel it, it's coming  
Your love's coming down like

Rain
