Zephyr in the sky at night I wonder
Do my tears of mourning sink beneath the sun?
She's got herself a universe gone quickly
For the call of thunder threatens everyone

And I feel like I just got home
And I feel
And I feel like I just got home
And I feel

Faster than the speeding light she's flying
Trying to remember where it all began
She's got herself a little piece of heaven
Waiting for the time when Earth shall be as one

And I feel like I just got home
And I feel
And I feel like I just got home
And I feel
Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light

Zephyr in the sky at night I wonder
Do my tears of mourning sink beneath the sun?
She's got herself a universe gone quickly
For the call of thunder threatens everyone
And I feel

Quicker than a ray of light
Then gone for
Someone else will be there
Through the endless years

She's got herself a universe
She's got herself a universe
She's got herself a universe

And I feel
And I feel
And I feel like I just got home
And I feel

Quicker than a ray of light she's flying
Quicker than a ray of light I'm flying
