Do I know you from somewhere?  
Why do you leave me wanting more?  
Why do all the things I say  
Sound like the stupid things I've said before?

Put your hand on my skin  
Put your hand on my skin  
Put your hand on my skin

Kiss me, I'm dying  
Put your hand on my skin  
I close my eyes  
I need to make a connection  
I'm walking on a thin line

I close my eyes  
I close my eyes

Do I know you from somewhere?  
Why do you leave me wanting more?  
Why do all the things I say  
Sound like the stupid things I've said before?

Touch me, I'm trying  
To see inside of your soul  
I've got this thing  
I want to make a correction  
I'm not like this all the time

You've got this thing  
You've got this thing

Do I know you from somewhere?  
Why do you leave me wanting more?  
Why do all the things I say  
Sound like the stupid things I've said before?

Kiss me, I'm dying  
Put your hand on my skin  
I close my eyes  
I need to have your protection

I close my eyes  
I close your eyes

Kiss, kiss, kiss me

Do I know you from somewhere?  
Why do you leave me wanting more?  
Why do all the things I say  
Sound like the stupid things I've said before?

Do I know you from somewhere?  
Why do you leave me wanting more?  
Why do all the things I say  
Sound like the stupid things I've said before?

Kiss me, I'm dying  
Touch me, I'm trying, ohh  
I'm not like this all the time  
I'm not like this all the time

Put your hand on my skin  
Put your hand on my skin  
Put your hand on my skin

Touch me, I'm trying, ohh  
Put your hand on my skin  
Put your hand on my skin

I'm not like this all the time  
I'm not like this all the time  
I'm not like this all the time  
I'm not like this all the time
