?Sky fits Heaven, so fly it?
That's what the prophet said to me
Child fits mother, so hold your baby tight
That's what my future could see

?Fate fits karma, so use it?
That's what the wise man said to me
Love fits virtue, so hold on to the light
That's what our future will be

Traveling down this road
Watching the signs as I go
I think I'll follow the sun
Isn't everyone just
Traveling down their own road?
Watching the signs as they go
I think I'll follow my heart
It's a very good place to start

Traveling down my own road
Watching the signs as I go
Traveling down my own road
And I'm watching the signs as I go
Traveling, traveling
Watching the signs as I go

?Hand fits giving, so do it?
That's what the Gospel said to me
Life fits living, so let your judgments go
That's how our future should be

Traveling down this road
Watching the signs as I go
I think I'll follow the sun
Isn't everyone just
Traveling down their own road?
Watching the signs as they go
I think I'll follow my heart
It's a very good place to start

Traveling down my own road
Watching the signs as they go

Traveling down my own road
And I'm watching the signs as I go
Traveling, traveling
Watching the signs as I go
