Je suis d'Ã©solÃ©
Lo siento
Ik ben droevig
Sono spiacente
PerdÃ³name

I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before

I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before

I don't wanna hear
I don't wanna know
Please don't say you're sorry
I heard it all before
And I can take care of myself

I don't wanna hear
I don't wanna know
Please don't say, ?Forgive me?
I've seen it all before
And I can't take it anymore

You're not half the man you think you are
Save your words because you've gone too far
I listened to your lies and all your stories
(I listened to your stories)
You're not half the man you'd like to be

I don't wanna hear
I don't wanna know
Please don't say you're sorry
I heard it all before
And I can take care of myself

I don't wanna hear
I don't wanna know
Please don't say, ?Forgive me?

I've seen it all before
And I can't take it anymore

Don't explain yourself 'cause talk is cheap
There's more important things than hearing you speak

You stayed because I made it so convenient
(I made it so convenient)
Don't explain yourself, you'll never see

Gomen nasai
Mujhe maph kardo
Przepraszam
(Sorry, sorry, sorry)
Slicha
Forgive me

(Sorry, sorry, sorry)
I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before

(Sorry, sorry, sorry)
I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before
I heard it all before, I heard it all before

I don't wanna hear
I don't wanna know
Please don't say you're sorry
I heard it all before
And I can take care of myself

I don't wanna hear
I don't wanna know
Please don't say, ?Forgive me?
I've seen it all before
And I can't take it anymore

I don't wanna hear
(Don't explain yourself)
I don't wanna know
('Cause talk is cheap)
Please don't say you're sorry

I heard it all before
(There's more important things)
And I can take care of myself
(Than hearing you speak)

I don't wanna hear
I don't wanna know
Please don't say, ?Forgive me?
