CHE

In June of 43 there was a military coup  
Behind it was a gang called the G.O.U.  
Who did not feel the need to be elected  
They had themselves a party at the point of a gun  
They were slightly to the right of Attila the Hun  
A bomb or two and very few objected  
Just one shell and governments fall like flies  
Ka-pow, Die  
They stumble and fall  
Bye bye  
Backs to the wall  
Aim high  
We're having a ball  
The tank and bullet ruled as democracy dies  
The lady's got potential  
She was setting her sights  
Of making it in movies  
With her name in lights  
The greatest social climber  
Since Cinderella  
Okay she couldn't act  
But she had the right friends  
And we all know a career depends  
On knowing the right fella to be stellar.  
Just one shell and governments lose their nerve  
Ka-pow, Die  
They stumble and fall  
Bye, bye  
Backs to the wall  
Aim high  
We're having a ball

That's how we get the government we deserve  
Now the man behind the president  
Calling the shots  
Involved so discreetly in a lot of their plots was Colonel  
Juan Peron would-be dictator  
He began in the army out in Italy so  
Saw Mussolini's rise from the very front row  
I reckon he'd do likewise sooner or later  
Just one blast and the tear gas falls like rain

Ka-pow, Die  
They haven't a chance  
Bye bye  
The terrorists advance  
But one guy  
Doesn't dirty his hands  
Peron was biding time out in the slow lane.  
Suddenly a earthquake hit the town of San Juan  
Ka-pow, Die  
They stumble and fall  
Bye bye  
Keep away from the wall  
But one guy  
Was having a ball  
The tragedy a golden chance for Peron  
He organized a concert with incredible flair  
He named off all the victims such a grand affair  
Politicians, actors, stars of every flavor  
It was January 22, 1944 A night to remember yeah  
that's for sure  
For that's the night that Peron first met Eva  
For that's the night that Peron first met Eva.
