Bitch

You're a thief of hearts and now you'll have to pay  
How many licks does it take?  
You're a thief of hearts and now you'll have to pay  
Which leg do you want me to break? You'll be sorry

Here she comes, little miss  
Thinks she can have what she wants in a blink of an eye  
Here she comes, acts like she's your best friend  
Then you turn your back and she's off with your guy

She's a thief of hearts  
What will happen to the thief of hearts?  
What she's done is a crime  
She's a thief of hearts, someone please arrest her  
She's a thief of hearts, no one ever takes what's mine

And gets away with it  
Not this time

Here she comes, acting all dejected  
So you give advice and she gives you her poison  
Here she comes, Little Miss Black Widow  
First she spins her web and she's stealing your  
boyfriend

She's a thief of hearts  
What will happen to the thief of hearts?  
What she's done is a crime  
She's a thief of hearts, someone please arrest her  
She's a thief of hearts, no one ever takes what's mine

Thief of hearts, bitch

You'll do it, you'll take it, you'll screw it, you'll fake it  
Undo it, you'll break it, you're over, you can't take it  
You'll do it, you'll take it, you'll screw it, you'll fake it  
Undo it, you'll break it, you're over, you can't take it

You can't take it, not what's mine  
I could break you, 'cause what you've done is a crime

Bitch, he's mine

Here she comes, little miss  
Thinks she can have his child, well, anybody can do it  
Here she comes, little Susie ho-maker  
Thinks she'll get respect if she screws it

And she's a thief of hearts  
What will happen to the thief of hearts?  
What she's done is a crime  
She's a thief of hearts, someone please arrest her  
She's a thief of hearts, no one ever takes what's mine

Bitch, you'll do it, you'll take it, you'll screw it, you'll  
fake it  
Undo it, you'll break it, you're over, you can't take it  
You'll do it, you'll take it, you'll screw it, you'll fake it  
Undo it, you'll break it, you're over, you can't take it

You can't take it, not what's mine  
You'll be sorry, 'cause what you've done is a crime

She's a thief of hearts  
Thief of hearts, what she's done is a crime  
She's a thief of hearts  
Thief of hearts, no one ever takes what's mine

She's a thief, thief, she's a thief  
Thief of hearts, no one ever takes what's mine

You're a thief of hearts and now you'll have to pay  
How many licks does it take?  
You're a thief of hearts and now you'll have to pay  
Which leg do you want me to break?

Stop, bitch  
Now sit your ass down
