Hey mister DJ  
Put a record on

Tell me love isn't true  
It's just something that we do  
Tell me everything I'm not  
But please don't tell me to stop

Please don't (ah)  
Please don't  
Please don't tell me to stop  
Don't you ever  
(Give it up, do as I say)  
(Give it up, do as I say)

Erotic, erotic  
Put your hands all over my body  
Erotic, erotic  
Put your hands all over my body  
(mm, mm)  
Erotic, erotic  
Put your hands all over my body  
(mm, mm)  
Erotic, erotic

Mm, mm  
Something's coming over  
Mm, mm  
Something's coming over  
Mm, mm  
Something's coming over me  
My baby's got a secret

Mm, mm  
Mm, mm  
Mm, mm (you're frozen)  
Give yourself to me  
Mm, mm (you're frozen)  
You hold the key

Do you know  
What it feels like for a girl

Do you know  
What it feels like in this world  
For a girl  
You'd love to know what it's like, wouldn't you?

What it feels like for a girl

I've always been in love with you (always with you)  
I guess you've always known it's true (you know it's true)  
You took my love for granted why, oh why  
The show is over say goodbye  
Say goodbye

(You recognize my voice?  
It's Madonna  
You can hear me?)  
Deeper and deeper and deeper and deeper

I can't help falling in love  
I fall deeper and deeper  
The further I go  
Kisses sent from heaven above  
They get sweeter and sweeter  
The more that I know

The deeper, the deeper, the deeper I go  
You've got to just  
Let your body move to the music  
Music, music, music, music

Music makes the people  
Come together, yeah  
Music makes the bourgeoisie and the rebel

Quicker than a ray of light  
Quicker than a ray of light  
Quicker than a ray of light

Then I feel like I just got home  
And I feel  
And I feel like I just got home  
And I feel

(Laughs)
