I'm not myself when you're around  
I'm not myself, standing in a crowd  
I'm not myself and I don't know how  
I'm not myself, myself right now

Jesus Christ, will you look at me?  
Don't know who I'm supposed to be  
Don't really know if I should give a damn  
When you're around I don't know who I am

I'm not myself when you go quiet  
I'm not myself, all alone at night  
I'm not myself, don't know who to call  
I'm not myself at all

Jesus Christ, will you look at me?  
Don't know who I'm supposed to be  
Don't really know if I should give a damn  
When you're around I don't know who I am

I always wished that I could find  
Someone as beautiful as you  
But in the process I forgot  
That I was special too

I'm not myself when you're around  
(I'm not myself when you go quiet)  
I'm not myself all alone at night  
(I'm not myself standing in a crowd)  
I'm not myself and I don't know how  
I'm not myself, myself right now  
(Don't know why I believe)

Jesus Christ, will you look at me?  
Don't know who I'm supposed to be  
Don't really know if I should give a damn  
(Someone say if I should give a damn)  
When you're around I don't know who I am

I always wished that I could find  
Someone as beautiful as you  
But in the process I forgot

That I was special too

I always wished that I could find  
Someone as talented as you  
But in the process I forgot  
That I was just as good as you
