Hey Madonna, I'm taking you to the club, go
Feels good

Move your body, get me from across the floor
Everybody's watching but I just wanna give you more
Don't care 'bout nothing I'm falling for your love in the
worst way

So move closer 'cause I can feel your body rise
The heat from you and I just have to fantasize
We're all alone now and I don't care what people have
to say

You don't have to be beautiful to be understood
You don't have to be rich and famous to be good
You just gotta give more, more, more than you ever
have before
And you gotta move fast, fast, fast if you want this
good thing to last

Let's dance tonight, dance tonight
And prove ourself to the world
And we will dance tonight, dance tonight
I'm just a boy and you're just a girl

I wanna dance tonight, dance tonight
Don't need no diamonds and pearls
So take a chance tonight, chance tonight
Let's prove ourselves to the world

Do it, do it, let me turn you on
Let the music pull you through it 'til the break of dawn
Do it, do it, while the night is young
Let the music pull you through it 'til the lights go on

Now we're in our zone, do you wanna take it further?
'Cause before too long I'm gonna start to wonder
Are you a one trick pony or do you wanna keep running
this race?

I'm so into you, I've heard it all before
So what should I do? I told you catch me on the floor

Don't spoil this moment 'cause talk is cheap
I don't have time to waste

You don't have to be beautiful to be understood
You don't have to be rich and famous to be good
You just gotta give more, more, more than you ever
have before
And you gotta move fast, fast, fast if you want this
good thing to last

Let's dance tonight, dance tonight
And prove ourself to the world
And we will dance tonight, dance tonight
I'm just a boy and you're just a girl

I wanna dance tonight, dance tonight
Don't need no diamonds and pearls
So take a chance tonight, chance tonight
Let's prove ourselves to the world

Do it, do it, let me turn you on
Let the music pull you through it 'til the break of dawn
Do it, do it, while the night is young
Let the music pull you through it 'til the lights go on

Dance, dance, dance
Do you wanna take it further?
Just dance

C-c-catch me on the floor, floor, floor
C-c-catch me on the floor, floor, floor
