You think that I can't live
Without your love, you'll see
You think
I can't go another day
You think i have nothing
Without you by my side
You'll see somehow, some way
You think that i can't laugh again
You'll see
You think that you've done
I'll never find my way back home
You'll see somehow, some day
All by myself
I don't need anyone at all
I know i'll survive
I know i'll stay alive
All on my own
I don't need anyone this time
It will be mine
No one can take it from me
You'll see....
You think that you are strong
But you are weak
You'll see
It takes more strength to cry
I have trash on my side
You only have deceit
You'll see somehow, some day
All by my side
I don't need anyone at all
I know i'll survive
I know i'll stay alive
I'll stand on my own
I don't need anyone this time
It will be mine
No one can take it from me
You'll see
