"Lift Me"

Lift me ? lift me from the ground
And don?t ever put me down ? oh no
And don't pick a fight with me
Just flip a coin my love ? you've won

Oh Love ? slips her hand inside my hand
Oh Love ? slips her hand inside my hand
I don?t care if you don't want me
I'm yours ? I'm yours right now

Our years ? are years well spent
We may never find out where they went ? oh no
And I don't mean to fight with you
Now all our troubles and all our struggles they are
through

Oh Love ? slips her hand inside my hand
Oh Love ? slips her hand inside my hand
I don?t care if you don't want me
I'm yours ? I'm yours right now

The wolf and the fox
They're sleeping soundly with the elk and the ox
There's a starry field around
This lowlit kingdom
Where all our defences are down

Oh Love ? slips her hand inside my hand
Oh Love ? slips her hand inside my hand
I don?t care if you don't want me
I'm yours ? I'm yours right now

Wrecked, poor, naked and blind
I'm yours ? I'm yours -right now
