Higher
There's no need to calm down
A rising through the other ground

These people
These people don't mean a thing
But don't you think it's funny
That now they get to hear me sing
Alright

Well try this
Well try this and see if it works
I want you just like that
Just like I always had you

Well if it doesn't work
Then what we need is another try
When I'm like this it strikes me
I'm the only one who knows you

So long
Well when his hands are free
Draw a line
Into these spinning heads, shoot

Oh higher
There's no need to calm down
A rising through the other ground

This song
This song is the same as always anyway
I wanna shape it
Such a diamond such a holiday

So long
Well when his hands are free
Draw a line
Into these spinning heads, shoot

Go honey be a holiday
Go honey be a holiday
Go honey be a holiday

Go honey be a holiday
