Lord, throw your mercy down
And word...
I mean to the ground
Oh, I'm riding a terraplane to the ground now
I'm gonna ride in a terraplane
I'm gonna ride into the ground
To the ground

So you sned your mercy down
Oh
Oh I'm gonna fall

I'm gonna ride in a terraplane
I'm gonna ride into the ground
To the ground

Oh...
I'm gonna ride in a terraplane
I'm gonna ride into the ground
I'm gonna ride in a terraplane
I'm gonna ride into the ground
