Informal surprise
Inforvicious
A dusty green disease
Distract and shuffling our feet
Try got to fit in where we need
Start falling in love with these things
Don't wanna know you, already know you
Already know your needs

Listen, we are go for the old ride
Listen, we are go for the old ride
Listen, yeah

No, I never get tired
Of killing time
I want a good ride
I'm go for the old ride
Come on!

Try to make it real, try something I can feel
I try to make it real, try something I can feel
Don't wanna know you, already know you
Already know your needs

Listen, we are go for the old ride
Listen, we are go for the old ride

No, I never get tired
Of killing time
I want a good ride
I want a good ride, yeah
Come on!

Oh, listen, we are go for the old ride
Listen, we are go for the old ride
Oh, listen, yeah

No, I never get tired
Of killing time
I want a good ride
I'm go for the old ride
Come on!

A dusty green disease
Distract and shuffling our feet

Listen, we are go for the old ride
Oh, listen, we are go for the old ride
Oh, listen
Oh, Listen
Yeah
