A girl stops me in the streets and says, "Excuse me,
sir, I think we've met before."
I said, "I never met you in my life." She said "Yeah?
How can you be sure?"
She said, "The night, it has a thousand eyes." I said, "I
heard that too, what does it mean?"
She said, "The night has a thousand eyes, I think it's
clear it leads to me."

Uh-uh uh uh uh hot talk.
Uh-uh uh uh uh hot talk.

She said, "Sometimes I get so bored, you know I just
want to crawl out of my skin."
She said, "What kind of name is Prophet anyway?"
I said, "I don't know what kind of name it is."
I said, "Your laughter's like a drug to me, I only with
you one in my expense."
She said, "It ain't costing you a dime."
I said, "I know it's not, that's not what I meant."

No! Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.
Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.
Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.

She said, "Look up in the sky, there's a billion stars
we've yet to even name."
I said, "Oh yeah? Well, look over there, there's an
Indian casino built on a sacred barial grave."
Oh, I said, "Testing, testing, one two three four five six
seven eight. Is this thing even on?"
We're gonna see how Wall Street takes the news when
Wall Street finds New York City's gone."
Hey! Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.
Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.
Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.
Uh-uh uh uh oh, Uh-uh uh uh oh, hot talk.

Said I love the way you look at me
And I love the way you talk to me
And I love the way you look at me
Yeah I love the way you talk to me

I said, hot talk you in your,
Hot talk on the beach,
Down the trading floor,
Funny widows peak.
I said, hot talk of a modern man,
Hot talk of a ball,
Way up on the fire escape, crawling down the hall,
Hot talk room in the back, and then where I got this
bruise ,
Hot talk for me, baby, hot talk for you.
