What do you want to do tomorrow
Is it what you find yourself doing today
If it's not you better move
Before you find yourself being schooled
Wondering how the hell did I waste my life away

What do you want to do tomorrow
Is it what you find yourself doing today
If it's not you better run
Before you find yourself with a gun
Saying "so long world, I've got nothing more to say."

What do you want to be tomorrow
Is it what you find yourself doing today
If it's not you better run
Before you find yourself with a gun
Saying "so long world, I've got nothing more to say."
Saying "so long world, I've got nothing more to say."
