"Shadows Of Tomorrow"

Visit "[Shadows Of Tomorrow](#)" on MotoLyrics.com

Today is the shadow of tomorrow
Today is the present future of yesterday
Yesterday is the shadow of today
The darkness of the past is yesterday

And the light of the past is yesterday
The days of yesterday are all numbered in sum
In the world once
Because once upon a time there was a yesterday

Yesterday belongs to the dead
Because the dead belongs to the past
The past is yesterday
Today is the preview of tomorrow but for me

Only for my better and happier point of view
My point of view is the thought of a better or try
Reality is today of eternity
The eternity of yesterday is dead

Yesterday is as one
The eternity of one is the eternity of the past
The past is once upon a time
Once upon a time is past

The past is yesterday today
The past is yesterday today
While we're searchin' for tomorrow

The light of the past is the light which was
The wisdom of the past is the light of the past
The light of the future is the light which is to be
The wisdom of the future is the light of the future see

Yesterday belongs to the dead
Tomorrow belongs to the living
The past is certified as a finished product
Anything which has ended is finished

That which is perfect is finished
The perfect man is no exception to the rule
The perfect man of the past is made according to the

rule of the past

The rule of the past is a law of injustice and hypocrisy

The revelation of the meaning of the law is revealed
through the law itself

The wisdom of the past is the light of the past

The light which is to be the wisdom of the future

The light of the future casts the shadows of tomorrow
