Light starts in a dark place  
The story of a car chase  
And Iâ€™ve become the criminal  
And fleeing from this scene  
And being caught in a bad dream  
The truth becomes the unthinkable (yeah)

Iâ€™m on the brink of disaster  
Starinâ€™ down the consequences  
So brake hard weâ€™ll be better  
Tonight Iâ€™ll do what it takes to fail  
Goinâ€™ there only faster  
Jumping down and so it is in gear  
But the fact of the matter  
Weâ€™re out of control asleep at the wheel  
Asleep at the wheel  
Weâ€™re out of control asleep at the wheel

Night falls with no grace  
I said I can do anything  
But I can do anything wrong  
And the burning speed  
The rate he says is catching up to me  
But Iâ€™m already gone

Iâ€™m on the brink of disaster  
Starinâ€™ down the consequences  
So brake hard weâ€™ll be better  
Tonight Iâ€™ll do what it takes to fail  
Goinâ€™ there only faster  
Jumping down and so it is in gear  
But the fact of the matter  
Weâ€™re out of control asleep at the wheel  
Asleep at the wheel

Tearinâ€™ it down to open up the highway  
Weâ€™re looking for an exit  
No pretending  
Speeding out and around with a silvering smash  
Starinâ€™ at a car crash ohohohoh  
The chase is ending

Iâ€™m on the brink of disaster  
Starinâ€™ down the consequences  
So break hard weâ€™ll be better  
Tonight Iâ€™ll do what it takes to fail  
Iâ€™m goinâ€™ there only faster  
Jumping down and so it is in gear  
But the fact of the matter  
The end is coming

Iâ€™m on the brink of disaster  
Starinâ€™ down the consequences  
So break hard weâ€™ll be better  
Weâ€™re out of control asleep at the wheel  
Asleep at the wheel  
Asleep at the wheel  
Asleep at the wheel  
Weâ€™re out of control asleep at the wheel
