Time flies  
Time crawls  
Like an insect  
Up and down the walls  
The light pours out of me  
The light pours out of me  
The conspiracy  
Of silence ought  
To revolutionize  
My thought  
The light pours out of me  
The light pours out of me  
The cold light of day  
Pours out of me  
Leaving me black  
And so healthy  
The light pours out of me  
The light pours out of me  
It jerks out of me  
Like blood  
In this still life  
Heart beats up love  
The light pours out of me  
The light pours out of me
