Back to nature  
I can't go on like this  
I want to walk where the power is  
Back to nature  
I don't know where to start  
Back to nature  
I don't have that kind of heart

Back to nature  
Back to somewhere else  
Back to nature  
And right back on top of yourself  
Back to nature  
I've got to look down  
See where I am  
Or just hit the ground

And I'm telling you  
I know what you've been going through  
In my heart of hearts  
When I was here  
And you were there  
Nothing was between us

We're up in the air  
We're down on the ground

Here are your friends again  
Inching in the bedroom door  
Ah they want to touch me  
And you show me their hands  
How warm and soft and foreign they are  
Cubans in surgical gloves  
One on top of two and top of three  
Well I've got more than you  
Back to nature  
The voyeur will realise  
This is not a sight for his sore eyes  
Back to nature  
Getting back at you  
I couldn't act naturally if I wanted to

Back to nature  
A trip that I can't take  
People are thinking  
That they've dreamed of this place  
Back to nature  
It was somewhere else  
Back to nature  
Right back on top of yourself

And I'm telling you  
I know what you've been going through  
In my heart of hearts  
When I was here  
And you were there  
Nothing was between us

We're up in the air ...
