What's on your mind
you go away
I never know o I will
follow you today
Where do you go
why can't you see
I do my very best
to hide my jealousy
I know you would never be cruel to me
I'm sorry
I know you would never be cruel to me
I'm sorry
I know you would never be cruel to me
I'm sorry
I wait and watch
just waste my time
I'll never stop
until I know that you are mine
you're getting hurt
we're out of touch
although there is no reason
I just worry much too much
I know you would never be cruel to me
I'm sorry
I know you would never be cruel to me
I'm sorry
The wheel of love
around it goes
and where it stops nobody knows
until the moment you are mine
until the moment you are mine
The wheel of love
is never blue
turns back and forth
from me to you
it's got the power and the time
You're part of me
but running free
you know I try to see
how this was meant to be
we hold on to
the love we find

so if I ever hurt you
please remember
love is blind
I know you would never be cruel to me
I'm sorry
The wheel of love
is never blue
turns back and forth
from me to you
it's got the power and the time
the power and the time
The wheel of love
around it goes
and where it stops nobody knows
until the moment you are mine
until the moment you are mine
What's on your mind
you go away
I never know so I will
follow you today
