You're the one who's nearly breaking my heart.  
Had your chance, you just threw it all away.  
Living in a world that you could never be a part of  
And never time to walk away

### CHORUS

You can't stay, no you can't stay  
You're no loser there's still time to ride that train  
And you must be on your way tonight  
Think anew right through, you're a man in the rain

What'se the use in hanging 'round these walls  
Lamps are burning, but nobody's at home  
There's a new day dawning asa cold rain falls  
And now's the time to walk alone

:Repeat chorus:

How's it feel when there's time to remember  
Branches bare, like the trees in November

Had it all, just threw it all away  
Now's the time to walk away

:Repeat chorus:

How's it feel when there's time to remember  
Branches bare, like the trees in November

How's it feel when there's time to remember  
Branches bare, like the trees in November

:Repeat chorus:

Threw it all away, threw it all away  
And now's the time to walk away

:Repeat chorus:
