(No world of love)  
Did it feel like a real thing  
Was it only a dream  
Or a gift made in heaven  
Never quite what it seems  
Has a magic confided  
Are we drifting in parts  
Have we lost the connection  
That was there from the start  
Don't you know that you threaten me  
So bad  
When it's over, it's over  
But it takes time to realize  
Recognize that it's over  
And time to say 'Goodbye'  
Was it just an illusion  
Were you laying apart  
Now you remain just fading  
All you took was my heart  
But it felt like a real thing  
How could it be a dream  
I'm alone with the memory  
Never quite what it seems  
Will you know that you threaten me  
So wrong  
When it's over, it's over  
It just takes time to realize  
Recognize that it's over  
And time to say 'Goodbye'  
I stood by the ocean, it was beautiful  
(No world of love)  
I thought of the wonder in your eyes  
(No world of love)  
Remember the way you used to look at me  
(No world of love)  
And ... tears will up inside  
Don't you know that you threaten me  
So wrong  
Have you known that you threaten me  
For so long  
When it's over, it's over  
But it takes time to realize

Recognize that it's over  
It's time to say  
When it's over, it's over  
(When it's over, it's over)  
You just need to realize  
(I just need to realize)  
Say it's over  
Recognize that it's over  
(Goodbye)  
It's time to say 'Goodbye'  
When it's over it's over  
(I need to realize)  
But it takes time to realize  
Recognize that it's over  
(And say goodbye)  
It's time to say  
(Say goodbye...)  
When it's over it's over  
(You need to know)  
(I just need to realize)
