I'm running after the Dragonfly
Dragonfly
Fly

Read me the writing between the lines
Between the lines
Lines

Dreamed I was you for a day
I saw what you saw and I saw it your way

And I'm gonna change your mind
Dragonfly
Fly

I will make you feel my love
Oh until you take my love

I'm running after the Dragonfly
Dragonfly, fly

Read me the writing between the lines
Between the lines, lines

Oh to be you for a day
I felt what you felt and I saw it your way
and I'm gonna change your mind
Dragonfly
I'm gonna change your mind
Dragonfly, fly

I will make you feel my love
Oh until you take my love
I will give you all my love
Oh until you take my love
